Bavaria Hotels International to open new Astana

May 2009: **Bavaria Hotels International** is an established dynamic German hotel company driven by the vision to become one of the leading specialists for the profitable planning, development and management of hotels worldwide.

Bavaria Hotels International (BHI) has announced that it is to operate a new luxury hotel in Astana the capital city of Kazakhstan. The hotel is located at the edge of the city surrounded by the stunning natural countryside. Offering 200 spacious rooms and suites it will provide guests easy access to the international airport and the downtown city centre of Astana. The Hotel will feature a Meeting Centre for 250 persons for Conferences as well as extensive leisure facilities and a Spa.

Mr Thomas H. E. Gertz, CEO BHI comments: "We are pleased to have been given the opportunity to provide our technical services and operational expertise to achieve and deliver an excellent product, and we are confident that our guests will enjoy the excellent service and effortless comfort which BHI will provide when we open the hotel."

Bavaria Hotels International manages hotels passionately, driven by quality and the desire to exceed guest expectations, each hotel displaying its own unique personality and a charm which sets us apart from others. From planning and development to the management of successful hotels, **Bavaria Hotels International** operates Hotels and Suite-Hotels under three main brands: City Hotels and Suites, Executive Suites, and Grand Hotels & Resorts.

More than a hotel operator, **Bavaria Hotels International** partners with owners and developers offering dynamic management agreements that are both flexible and visionary, ensuring the best return on investment and guest satisfaction ratings whilst providing employee incentives appealing to local and expatriate professionals.

Bavaria Hotels International has a portfolio of traditional hotels in Europe and is rapidly expanding its portfolio in emerging markets such as Asia and the Middle East where it presently has more than 1600 rooms under construction.
